# Golden News

**P**RESIDENT TAFT, from the bridge of the Ship of State, has given the signal, "Go Ahead With All The Energy In Your Possession," to every honest business man who is conducting a legitimate business on legal lines and honest methods. In response, there are already symptoms of an era of the most furious prosperity that our Country has ever seen. Money-making and Fortune-building are to be the order of the day. Are you going to join the joyous game?

**LISTEN!** A small sum invested in MAYFLOWER stock might prove the nucleus of a fortune for you. But it at 25 Cents while it offers a basis for a splendid investment. If you let this OPPORTUNITY pass you will regret it to the end of your investment days. I state my point-blank conviction that the Stock will yet be popular in these Islands at five or six times its present price and on its merits as an investment security. **BUY MAYFLOWER STOCK. BUY IT NOW!**

**LISTEN AGAIN!** This is the last notice which will be given of the advance of MAYFLOWER Shares to 35 Cents. No further extension on any account. The present price holds good only till midnight of Saturday, March 20th, so that this week is the last opportunity you will have to buy the stock at 25 Cents. By ordering today you can save 40% on your investment. To make big money you must get in at the beginning on a good thing and get the full benefit of its increasing value. MAYFLOWER can be bought with the absolute assurance that you are getting value received for what you are buying, and more than value. But we want your assistance in financing our enterprise. It is by reaching the many—taking the public in as part owners in fact, that great businesses are made possible, whether they are mines, railroads, or other industries. It rarely happens that one man, single handed, can operate a mine, swing a railroad or build a steamship. It is by the modern method of incorporating a company and selling its stock to investors that such propositions are financed to success. MAYFLOWER stock is being sold in the Eastern and Western States as well as in London and in the Hawaiian Islands. I am devoting all my time and energy to financing my end of the MAYFLOWER Mine and I am going to stay right here until I have accomplished my objective, and the MAYFLOWER office will remain open in Honolulu until MAYFLOWER dividend checks begin to arrive from Nevada City, our base of operations. And when they begin to come they will come regular and come big. If you want any of them to come to you, now is the right time to qualify for the pleasing distinction. **BUY MAYFLOWER STOCK. BUY IT NOW!**
